

Prayer for Families

LORD, we know that the enemy seeks to steal, kill, and destroy. We know the power of a family that is earnestly seeking Your face. We come to You full of thankfulness for the families of our church family and ask for Your protection and wisdom over their lives.

Each family in our congregation has been sent by You to this body of believers for a reason, and we ask that You please make that reality known to each family here today. Father, please help them to stand at this future building sight and understand the purpose and plan You have for their lives not just in their homes, work sites, and schools, but here in this place.

LORD, we are a body of men, women, and children who want to be used by You. Please soften our hearts to the promptings of Your Spirit so that we hear Your voice and act on it. Keep the family units of Blue Ridge strong and united. We pray for the marriages of Blue Ridge that they seek You first and sacrificially love each other. We pray for the sons and daughters of Blue Ridge. We pray that they will be an encouragement to their families and know the value they bring to their homes. We pray for the grandparents of Blue Ridge and thank you for their wisdom. Father, please remind each family how much we value them and treasure them.

In Your powerful name, Amen.
