

Prayer for Worship Team

LORD, we dedicate this future worship space to you. We ask you to please use it to unite the hearts of people to You. May the praise, worship, and the teaching and preaching of Your Word in this place be used to open the hearts of people to know who You are.

LORD, we ask that every person who worships here be filled with Your love and power. Strengthen Your people with power as we worship here so that Christ may dwell in our hearts through faith—that we would be rooted and grounded in love, and may have strength to comprehend with all the saints what is the breadth and length and height and depth—to know the love of Christ that surpasses knowledge.

We pray that everyone who worships here LORD will be filled with all the fullness of God.

Father, as our praise goes up to You in this place, we pray that You would send Your glory down upon us and all who worship here. May the praise and worship in this room be pleasing to you, LORD. We ask that You would inhabit the praises of Your people when songs are sung to You in this place.

LORD, raise up godly worship leaders in this church. May the members of our praise teams and our worship leaders be filled by Your Spirit. May their hearts burn for You. LORD, use our worship team to cause the hearts of the people who worship here to burn for You.

We ask all of this for the sake of your Son Jesus, Amen!
