

Prayer for Young Adults

LORD, we know You have strategically placed us in close proximity to a large number of college students, and we are thankful for that opportunity. May we be Your hands and feet in inviting, welcoming, serving, and showing hospitality and friendship to them. Make us aware and sensitive to their needs. Help us to remain Gospel-focused so that we may ensure that each student we encounter at Blue Ridge is aware of Your sacrificial gift of salvation. Help us to be good examples to them and to mentor, support, and encourage them.

We pray for this future sight of Blue Ridge and ask that You prepare the way to bring many college students our way. We pray that this sight will become a home away from home for them. We want Blue Ridge to be a place where college students feel welcome. We want to be their home away from home. May we become a family to them while they are away from their homes. Be with all of the students at Clemson University, Southern Wesleyan University, Anderson University, and the surrounding colleges. Father, please pour out your Spirit upon them and make their hearts burn for you and our Kingdom.

Bring college professors to our congregation. May we love and encourage them as they train and work with college students on a frequent basis.

LORD, show us ways we can partner with, support, and encourage other gospel-centered ministries that serve college students in this area. Thank you for what you are already doing. We look forward with excitement to what you are going to do through the college ministry of Blue Ridge Community Fellowship!

We pray this in the name of Jesus, Amen.
